Web: www.neskowinwater.com

Dear Neskowin Water District Customers,

The District will have a rate hearing on September 24th, 2026, at 1:00 p.m. at the Water District plant. Virtual attendance is available, along with instructions, on our website (neskowinwater.com), which also includes our approved 2026-2027 budget.

The District is facing increased costs associated with inflation and will continue to have upward pressure on costs for the foreseeable future. Through public discussion and our Rate Review Committee, we have concluded that our ratepayers would rather see small incremental increases on an annual basis, keeping pace with inflationary rates, rather than large increases whenever our budgetary costs cannot be met.

In keeping with the policy of small incremental rate increases. We will hold this rate hearing on September 24th, 2026, at 1:00 PM, to discuss and possibly pass new rates associated with this year's inflationary rate, as calculated by the U.S. Bureau of Labor Statistics' Consumer Price Index for Water and Sewerage Maintenance.

Thank you,

Troy N. Trute

General Manager
